

Solar Control of Jackson

Clearly Superior Window Tinting for your Vehicle, Home, or Business

Solar Control of Jackson is pleased to announce our **Discount Services Program** to employees and students of Millsaps College. By showing proof of employment or a Millsaps ID, we will offer a 10% off of any of our services listed below. We will also offer a 15% discount on *multiple* services (multiple vehicles, or home and car, etc.).

Products and Services Provided for Homes, Business or Vehicles:

- **Sun Control:** heat reduction, energy savings, privacy, glare reduction, & fading protection are a few reasons why folks should consider these films. (Clear to Dark)
- **Security/Safety:** prevent break-in's, smash and grabs, protection due to inclement weather, and to prevent penetration of objects through glass.
- **Decorative Films (Interior Design):** frosted and custom design films are available.
- **Automotive:** apply and remove window film for vehicles, boats, tractors, etc
- **Automotive:** paint protection films, clear door edge guards, & head light restoration
- **Automotive:** graphics and car care products.
- **Graphics:** numbering, lettering, logo's or custom designs.
- **Di-Noc Architectural Finish Films:** (over 500 choices)
- **Anti-Graffiti Films:** scratch resistant—clear
- **Residential, Commercial, Automotive applications**

Solar Control of Jackson is fully insured, and owner operated. Our goal is to help make our customers more comfortable and energy efficient.

Solar Control of Jackson offers everything from **clear** films to the very darkest (blackout) films. References are available upon request.

FREE estimates or consultation! Appointments Recommended.
